CITY COUNCIL 121 N CHURCH STREET, HUDSON, MI REGULAR MEETING March 05, 2024 at 7:00 P.M.

AGENDA

I.	CA	T.T.	TO	OD	DER
1.	$\mathbf{v}_{\mathbf{n}}$		11		

- II. ROLL CALL
- III. PLEDGE OF ALLEGIANCE

IV. ORDERS OF THE DAY

- A. Excuse Absent Members(s)
- B. Setting the Agenda
- C. Approval of Minutes of February 20, 2024

V. PUBLIC COMMENT

VI. NEW BUSINESS

- A. Approve: Resignation of Teresa Frantz
- B. Approve: D & P Communications
- C. Accept: Capital Improvement Project Plan for 2024-2029

VII. UNFINISHED BUSINESS

- A. Bills
- B. Account Balances and Check Register

VIII. MINUTES FROM OTHER BOARDS AND COMMISSIONS

- A. Recreation Advisory Board dated February 19, 2024
- B. Planning Commission dated February 26, 2024
- IX. CITY MANAGER'S REPORT
- X. COUNCIL COMMENTS
- XI. ADJOURNMENT

Jeaniene McClellan, City Clerk

** MINUTES FOR THIS MEETING WILL BE AVAILABLE AT HUDSON CITY OFFICE **

** 121 N. CHURCH STREET, HUDSON, MI 49247 **

NOTE: Anyone planning to attend the meeting who has a need of special assistance under the Americans with Disabilities Act (ADA) is asked to contact the city clerk's office at (517) 448-8983 forty-eight (48) hours prior to the meeting. Staff will be pleased to make the necessary arrangements to provide necessary reasonable accommodations.

CITY COUNCIL 121 N CHURCH STREET, HUDSON, MI REGULAR MEETING February 20, 2024 at 7:00 p.m.

748055:

The regular meeting was called to order by Mayor Daniel Schudel at 7:00 pm. in the Council Chambers.

ROLL CALL: PRESENT: Daniel Schudel, Lisa Enerson, Teresa Frantz, Sherry

Kirkland, Rick Moreno and Carl Sword

ABSENT: Natalie Loop

ALSO PRESENT: DPW Superintendent Jay Best, Candi Best, Ambulance Director

Jim Stevens, Police Chief Ron Keck, City Treasurer Megan Thompson, Sara Schudel, Barb Ireland – Hudson Post Gazette, City Manager Charles Weir and City Clerk Jeaniene McClellan

ORDERS OF THE DAY:

Excuse Absent Members:

748056:

Motion by Lisa Enerson, seconded by Sherry Kirkland to approve to excuse Natalie Loop from the meeting. CARRIED 6-0 by roll call

Approval of Minutes of February 6, 2024:

748057:

Motion by Rick Moreno, seconded by Carl Sword to approve the minutes of February 6, 2024 and place on file. CARRIED 6-0 by roll call

PUBLIC COMMENT:

DPW Superintendent Jay Best – At the last meeting the council approved to removed the retirement section 317 in the handbook for employees that have worked for the City for over 30 years. There are only a few of employees who can benefit from this and after they have dedicated their lives to this City, please reconsider that decision.

See Council Comments

NEW BUSINESS:

Approve: Budget Amendments:

The Council received the amendments to the fiscal year 2023-2024 budget. The highlighted yellow areas are the items with the suggested changes. The budget overview document is also included, explaining in more detail the various changes that we will review and discuss further during the meeting.

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

	Property Taxes	598,061.93
	State Revenue Sharing (sales tax)	340,000.00
General Fund	Personal Property Tax Reimbursement	144,710.52
Revenue	CARES Act Funding	-0-
	Refuse Collection	121,968.00
	Administrative Revenue	812,128.57
	Sale of Property	98,300.00
	All Other Revenues	102,960.31
	TOTAL REVENUE	2,218,129.33

The original projected revenue for the General Fund was 2.10 million. We have revised this number based on higher projections for Property Tax revenue and reallocations of Administrative Revenue.

City Council

Expense 18,026.00

Originally \$21,026.000 was budgeted for City Council. A change has been made to \$18,026.00, as there will not be an ordinance book codification update this fiscal year. Generally, this portion of the budget covers the expenses for dues and memberships to the Michigan Municipal League (MML), MISSDIG, and for the codification of ordinances online through CivicPlus. This portion of the budget also pays for City Council functions, such as salaries and wages. There are some small dollar amounts for professional development of the City Council, along with some funds for public relations and civic promotion / marketing.

City Manager

Expense 110,595.34

Originally \$110,612.00 was budgeted for this department. An Increase has happened to \$112,595.34. This is primarily related to the addition of another payment to fully fund Health Savings Accounts (HSA) for each employee at the beginning of 2024.

Additionally, This part of the budget covers expenses for a full-time City Manager. It should be noted that the entire wage and fringe benefits for the City Manager is not being taken out of the General Fund. An allocation has been made where other funds will pay back the General Fund for the City Manager. Funds that will pay for the City Manager include Major and Local Streets Administrative line-items and the Administrative line-items in the Utilities Fund. Funds coming back into the General Fund for the City Manager's wage and fringe benefits are realized as "Administrative Revenue." Other employees resulting in "Administrative Revenue" to the General

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

Fund, include: all personnel in the offices at the Hudson City Offices and all Department of Public Works (DPW) employees.

Elections

Expense 11,324.29

\$9,250.00 was originally budgeted for this department. This department is actually projecting where it will expend more than the \$9,250.00 than was budgeted. The projection of \$11,324.29 is more accurate for this department.

It is noted that the City of Hudson is responsible for administering elections in May, August, and November of each year (if there are elections in those months). Costs are allocated to cover the expenses of election inspectors, printing & publishing, printing of ballots, and transportation of ballots at the end of the election night to the Lenawee County Clerk. There will be an election in November for City Council. Costs are higher than in previous years for this Department, as new election laws will be taking effect that are making provisions for early voting. This could increase the amount expended for election services. There is also a February Presidential Primary that is helping to bring up the cost of elections.

Assessor

Expense 24,090.00

\$21,590.00 was originally budgeted. The Increase to \$24,090.00 is due to new equipment that was purchased by the Assessor. The City contracts with Renius & Renius for assessing services. In order to perform such services, the City of Hudson pays Renius \$19,090.00 a year. Renius & Renius prepares both the summer and winter tax rolls for the municipality. They also work out of the City of Hudson's offices one (1) day a week.

City Attorney

Expense 9,000.00

NO CHANGE

This portion of the budget pays for the services of the City Attorney. It is estimated that there will be around \$9,000.00 worth of expenses relating to the City Attorney this next fiscal year.

City Clerk

Expense 102,650.05

It was thought that the original amount that would be expended on this department would be \$97,618.00. It is requested that this be increased to \$102,650.05. The

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

Increase accounts for another payment to the H5A and it includes funds to send two (2) employees to the Clerk's Conference.

This part of the budget also deals with expenses related to the full-time City Clerk's employment. This portion of the budget also has funds budgeted for the City Clerk dues and memberships in various organizations, along with some conference and training dollars. Printing and publishing costs are also in this area. Those costs are directly related to publication of items in various newspapers that need to be published.

It should be noted that the entire wage and fringe benefits for the City Clerk is not being taken out of the General Fund. An allocation has been made where other funds will pay back the General Fund for the City Clerk.

This number is about \$4,000.00 less than what was budgeted for Fiscal Year 2022 – 2023. This is due, in large part, to fringe benefit cost around health insurance. Continuing to look and challenge the cost of health insurance will likely help bring down costs for the City of Hudson that can then be used to do other capital projects.

City Treasurer

Expense 117,338.35

\$110,656.00 was originally budgeted for this department. An increase is being sought to \$117,338.35. This increase considers additional wages calculated into the Salaries and Wages portion of the budget, along with the increase for the funding of the additional payment of the HSA. This portion of the budget also pays for the expenses of a full-time City Treasurer. Like other departments within the General Fund, the fringe benefits for the City Treasurer are not being taken out of the General Fund. An allocation has been made where other funds will pay back the General Fund for the City Treasurer.

City Hall & Grounds

Expense 55,150.00

This portion of the budget deals with expenses relating to City Hall and the grounds that it is on. These costs are pretty much the same from year-to-year.

The large increase of \$40,000.00 was related to repairs that need to be completed at the Hudson Carnegie Library building and the sinkhole at the Hudson Fire Department. These costs are not expected to be the amount that was originally budgeted. Therefore, this department has been decreased from \$75,700.00 to \$55,150.00.

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview
Administrative Office of the City Manager

City Prosecutor

Expense 4,750.00 NO CHANGE

These dollars fund City prosecutions through the Lenawee County Prosecutor's Office. This is a three (3) year contract and the cost is based upon the fines that are generated by court cases that are prosecuted that generated with the Hudson Police Department.

Office Operations

Expense 176,283.63

It was originally thought that \$170,913.00 would be expended for this department. There has been a slight increase due to the HSA being funded back to January 2024 and fringe benefit cost in total. The City employs a full-time income Tax Administrator and a full-time Receptionist in the front office of the Hudson City Offices. This portion of the budget pays for these two (2) employees.

It should be noted that the entire wage and fringe benefits for the Income Tax Administrator and Receptionist is not being taken out of the General Fund. An allocation has been made where other funds will pay back the General Fund for the Income Tax Administrator and Receptionist.

In addition to that, this portion of the budget also pays for miscellaneous expenses relating office supplies, postage, and telephone and communications at the Hudson City Offices.

Police Department

Expense 433,301.04

This portion of the budget has been decreased by about \$80,000.00. This is due to being short-staffed and it is due to the removal of a purchase of a patrol vehicle that was originally budgeted for this fiscal year. It should be noted that when the budget was created, funds were budgeted to continue to provide 24-hour coverage for seven (7) days a week. The rest of the dollar amounts are for ordinary expenses of the department. There is a major change to this department with fringe benefit cost, which is, once again, associated with health insurance cost.

Building Inspections

Expense 8,850.00

2023 - 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

The City contracts with Hillsdale County for Building Inspection services. \$7,250.00 has been budgeted to pay Hillsdale County. It is also budgeted to provide pay for 80 rental inspections throughout the year. Funds are also budgeted for rental Inspections.

This department has been decreased from \$14,350.00. This is largely due to the drop off in rental inspections from a year ago, as rental inspections have started again and there is no backlog of them.

Planning

Expense

NO CHANGE

3,885.00 Commission

> Funds have been budgeted to provide for stipends to the members of the City of Hudson's Planning Commission. There is \$2,000.00 budgeted for any planning work that may need to happen that is associated with the Master Plan.

Public Works Dept

Expense 728,080.56

The portion of the budget pays for the DPW wages and fringe benefits, along with a whole slew of other things, such as street light cost, forestry and leaf pickup equipment fees, DPW operating supplies, DPW building maintenance, and telephone and communications for DPW employees. Again, like other Departments, the fringe benefit cost has decreased substantially due to health insurance cost.

There is a change in what was budgeted for this department -- \$662,097.00 - to the \$728,080.56 that is proposed as the amended budget. This is due to HSA funding, fringe benefit cost in general, and the need for improvements to the DPW building.

Parks Dept

Expense

-0-

This has been eliminated and placed back with the Public Works Dept.

Refuse Services

Expense 129,468.00 NO CHANGE

This portion of the budget pays for the cost of the refuse contract with Stevens Disposal, along with the spring and fall cleanups.

Fringe Benefits Administration Expense

NO CHANGE

525.00

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

This portion of the budget pays for quarterly costs to the International City/County Manager (ICMA) Retirement Corporation (ICMA-RC) for the administration of the City's 401(a) program for its employees. A 401(a) is the public sector name for a 401(k) program.

There was no change to this department.

General Fund Other

Expense 172,275.05

The large change from the \$148,787.00 that was budgeted to the amended budget is the \$19,496.00 transfer from the General Fund to the Ambulance Fund. This was originally done last fiscal year but was undone by the auditor with his adjustments. Management disagreed that this should have been done as the City Council had approved the \$19,496.00 from the General Fund to the Ambulance Fund to purchase equipment that was needed by the Ambulance Fund last fiscal year.

110,537.03

Revenue	Expense	Excess Rev./(Expense)
295 325 91	243 216 26	52 109 65

Major Streets Fund

Major Streets revenue is made up solely of State Act 51 (weight and gas taxes). Act 51 revenue is from the State Transportation Fund. There is a transfer from the Income Tax Fund scheduled for preventative maintenance cost.

Changes: Revenue has been estimated up a bit, however, we are projecting some more expenses to distribute Administrative Expense from the Utility Fund a bit with more of a reliance onto other funds to pay for Office and DPW wages and fringe benefits. Other than changes in Administrative Expense, there is no other remarkable numbers.

52,109.65

Local Streets Fund

Revenue	Expense	Excess Rev./(Expense)
109,957.00	173,676,75	(-63,719,75)

Local Street revenue consists of State Act S1. There is a transfer from the Income Tax Fund scheduled for preventative maintenance cost.

Changes: Revenue has been estimated down a bit. We are also projecting some more expenses to distribute Administrative Expense from the Utility Fund a bit with more of a reliance onto other funds to pay for Office and DPW wages and fringe benefits. The proposed budget amendments have an increase in Administrative Expense, which is what increases the expenses.

Excess Rev./(Expense) (-13,239.37)

Fire Department Fund

There are not significant changes within the Fire Department Fund Budget, except for the accounting for a grant that was received for equipment. This does create a negative appearance for the Fire Department Fund, although, this should correct itself once the grant revenue is received from the State of Michigan. When that occurs, the Fire Department Fund will most likely result in a positive. The revenue was not calculated on the revenue side of this fund.

TOTAL REVENUE

STARTING FUND BALANCE

4,509.00

ENDING FUND BALANCE

4,509.00

Cemetery Fund

Revenue	Expense	Excess Rev./(Expense)
59,800.00	78,922.13	(-19.122.13)

There are a few changes from what was originally budgeted. Revenue has been adjusted accordingly to what the revenue is projecting out to be. This is a bit lower than what was originally budgeted by \$2,000.00. Expenses are adjusted to actuals or projected out.

Written from last fiscal year's budget: The Cemetery Fund brings in revenue from burlal fees, cemetery foundations, and the sale of cemetery lots. A large transfer of \$40,000.00 is coming from the income Tax Fund to the Cemetery Fund to allow for expenses of the Cemetery Fund to be funded.

The two (2) items that are plaguing this fund are the cost of fall clean-up, which is done by an outside contractor, along with the cost of a contractor to do mowing and lawncare of the cemetery. Those costs, alone, are \$36,000.00 a year. The Cemetery Fund does not bring in enough money by itself to pay for that and will have to continue in the future to rely on either the General Fund or Income Tax Fund for the bulk of its funding to run the cemetery.

Additionally, on the expense side, costs are allocated for the DPW time's working in the Cemetery; however, the biggest expense is the contractual obligations for mowing and a major capital outlay project centered around expansion of the cemetery.

Overall, an excess of expenditures of \$3,821.00 is being estimated for the fund.

CHANGE IN FUND BALANCE

(-19,122.13)

Ambulance Fund

Revenue Expense Excess Rev./(Expense) 737,658.34 795,406.10 (-57,747.76)

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

Revenue for the Ambulance Fund has been adjusted to actuals, plus the transfer from the General Fund that was outlined above was put back in for revenue to this fund.

As for expenses, those has been projected out to be what should be actuals for the rest of the fiscal year. There are some higher than expected fringe benefit costs that is not associated with the additional HSA payment. This is due to changes in full-time employees and how those changes impact the offering of health insurance. Salaries & Wages have been projected higher, but it's likely they could be lower than that due to some holiday pay being placed into the projections.

CHANGE IN FUND BALANCE

(-36, 198.29)

Revenue	Expense	Excess Rev./(Expense)
43,652.11	31,147.92	12,504.19

Community Center

It appears that we underestimated the franchise fee income for the Community Center. Franchise fees come from contracts that the municipality have with cable television providers in the community. Additionally, our numbers for rental income were a little light, so those have been adjusted, as well. Expenditures are a bit up, which we have accounted for on the expenditure-side, although, the fund does expect to see an increase.

2023 – 2024 Fiscal Year Proposed Amended Budget Amendment Overview Administrative Office of the City Manager

No change.

CHANGE IN FUND BALANCE

(-2,480.00)

Utilities Fund

The Utilities Fund is the fund that operates Water and Sanitary functions of the City of Hudson.

Revenue & Expenditures

Revenue: We are anticipating revenue of \$1,398,117.52. This includes revenue relating from the increase in water and sewer rates. There is more information in the overall budget document centered around how the water and sewer rates were calculated and what they mean. It should be noted that this is about a \$120,000.00 decrease from what we budgeted. We've seen a decrease in sales from what our utility rate study projected. Additionally, we have some outstanding accounts receivable that does impact the amount that we are expected to bring in. This is all adjusted based on projections at this time. It's likely that this shortfall will not be \$120,000.00 when all is said and done.

Expenses: The increase in expenses is due to the Administrative Expense allocated being redefined.

Motor Vehicle Fund

Revenue	Expense	Excess Rev./(Expense)
160,100.00	297,773.94	(-137,673,94)

Revenue has changed a bit due to interest income and equipment fees being adjusted upward in other parts of the budget. The large expenditure is due to the Ambulance purchase loan.

DECREASE TO FUND BALANCE

(-137,673,94)

Revenue	Expense	Excess Rev./(Expense)
569,801.00	597,143.15	(-27,342.15)

Income Tax Fund

There was not many changes from the original budget. The only changes were interest income on the revenue side. Changes on the expenditure side were Administrative Expense and audit fees.

DECREASE TO FUND BALANCE

Motion by Rick Moreno, seconded by Teresa Frantz to accept the account balances and check register and place on file. CARRIED 6-0 by roll call

Department Head Reports:

748061:

Motion by Rick Moreno, seconded by Sherry Kirkland to accept the department head reports and place on file. CARRIED 6-0 by roll call

CITY MANAGER'S REPORT:

- The City has submitted a grant application to the Michigan State Housing Development Authority (MSHDA) for a project to help fund the updating/changing the city ordinances regarding housing options in the various zoning districts of the city and completing a full update to the city's Master Plan. The Housing Strategic Plan that the city had completed in 2023 suggested updates and changes in the ordinances to help facilitate growth and affordable availability in the housing market in the city.
- The City has officially submitted the city's industrial park to be marketed through the Verified Industrial Properties by Detroit Regional Partnership that Mr Weir brought to the Council's attention back in November. Again, this is a three-tier process. The first part is the Desk Top Due Diligence Support which would cost the city \$16,000 but will be done at no cost through this program. This will verify the industrial park and what is available and will advertise in 11 southern Michigan counties. Phase two (Physical Site Studies) will require a 10-20% match of approximately \$100,000 for more in-depth site studies and a complete marketing package. Some of this work is already done so he expects that the cost will be lower. The city is not locked into a binding agreement if the funding of the 10-20% was not available. The Third phase (Project Support) is for funds that will be available for companies to use to develop the sites purchased in the industrial park.
- At the last Council meeting, citizens voiced some concerns about the cleanliness of the local laundromat and about getting a refrigerator for the Hudson Community Center. The city is limited in what it can do to enforce the cleanliness of the laundromat, but Mr Weir purchased a refrigerator for the Hudson Community Center that was on sale, and it is expected to be picked up and placed in the Community Center on Wednesday February 21st. The cost of the refrigerator was \$463.60.
- Chief Keck advised that the SRO position at the school is in the process of moving forward. It will be on a part-time basis for the time being. The school district is working on future funding of the position. Chief Keck is still looking to fill the full-time position and looking to hire additional part-time officers. Thank you to council member Kirkland for sharing the article about the shortage of qualified police candidates to fill police officer positions that is happening all over the State of Michigan and the United States.
- The interviews for the wastewater operator job have been completed and Superintendent Josh Mattek has offered the position to successful candidate who will be starting in the month of March.

COUNCIL COMMENTS:

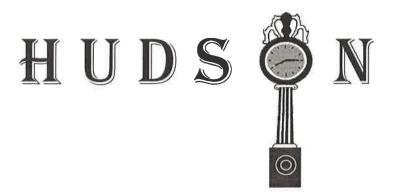

Councilmember Lisa Enerson – Is there a way to bring back the discussion about the retirement at the next meeting?

City Clerk - The only way for a motion to return to the council is for the person who made the motion to bring it back to the table. Councilmember Teresa Frantz made the motion at the last meeting.

Councilmember Teresa Frantz agreed to bring back the motion and discuss the retirement option more at the next meeting.

ADJOURNMENT:
748062:
Motion by Lisa Enerson, seconded by Rick Moreno to adjourn the meeting at 7:47 pm
APPROVED:
Daniel Schudel, Mayor
ATTEST:

Jeaniene McClellan, City Clerk

Subject: City Council

Good afternoon,

I am informing you of my resignation from city council effective today. I no longer live in the city limits of Hudson, so I have no choice but to step down.

Sorry, for the short notice but this all happened really fast and it's been a very busy end to my week. New job and a new home in the same week.

Resignation letter

Dear Hudson City Clerk (Jeanine),

According to the charter you have to live in the City of Hudson to be on the city council. With that being said I no longer live or work in the city, so consider this my resignation letter.

Teresa Frantz

AGENDA ITEM REVIEW FORM

ITEM: D&P Communications Easement and Site Plan	SUBMITTED BY: Charles Weir
ACTION REQUESTED: Approve the D&P Communications Easement and Site Plan.	DEPARTMENT: City Manager DATE: March 5, 2024

SUMMARY:

The City's cable company D&P Communications is in the process of upgrading the cable services in the city to fiber. D&P currently has an electronic cabinet on Munson Highway south of M-34. With the fiber upgrade, D&P will have to put up a larger communications shelter at the site. The shelter will be 10'X 20". This larger shelter does not require a larger easement footprint than what is already being utilized.

The Planning Commission has reviewed and approved the easement application and the site plan at a meeting on Friday March 1st. D&P has paid all the associated fees.

RECOMMENDATION:

Approve the D&P Communications Easement Application and Site Plan on the city property located adjacent to Munson Highway and M-34.

Motion by Will Terrill, seconded by Rob Hall to approve the Capital Improvement Plan for 2024 – 2029 and forward to Council. CARRIED by voice vote.

Target Market Analysis and the Strategic Housing Plan:

This Housing Strategic Plan for Lenawee County was commissioned by Housing Lenawee It is the implementation phase of the Target Market Analysis (TMA) that was published in 2023 by LandUseUSA.

Lenawee County has identified a need to prioritize the diversification of housing options for new and existing residents. Quality housing represents the American dream for many and whether owner-occupied or leased, is an indicator of economic prosperity for individuals and families. A sufficient supply of housing, for both purchase and lease, is essential for a vibrant economy in any community. This applies to people at virtually all income levels and stages of life.

This plan will serve as a guide going forward as we take what we have learned from the Target Market Analysis to identify tasks and projects that will help eliminate some of the barriers to diversified

housing options and new housing construction. These strategies will work to improve housing availability across the spectrum of income groups, both for purchase and lease.

The intent of the program is to review all processes around redevelopment and align them to improve the overall development experience. The program can coordinate Master Plans and Zoning Ordinances to work cooperatively, along with identifying efficiencies for staff to improve the development review process, thereby reducing the time and cost associated with development review.

Discuss Conditional Use Permit Changes:

Commissioner Rob Hall suggested to change the ordinance to remove the word "prohibited" to "restricted" so the board could approve the conditional use permit and not go against the ordinance. He also suggested to add to the home businesses allowed, family daycares.

Tractor Supply Company update:

City Manager gave the commissioners a copy of the updated map of the Tractor Supply Company. EGLE has changed the retention pond to go behind the building.

D & P Easement Application:

City Manager gave the commissioners a copy of the D & P easement application on the new building on Munson Hwy. This building will be 10' x 20' and will be located on City Property. Once the City receives the site plan the commissioners will review the documents and approve at that meeting.

CITY MANAGER'S REPORT:

- The City has submitted a grant application to the Michigan State Housing Development Authority (MSHDA) for a project to help fund the updating/changing the city ordinances regarding housing options in the various zoning districts of the city and completing a full update to the city's Master Plan. The Housing Strategic Plan that the city had completed in 2023 suggested updates and changes in the ordinances to help facilitate growth and affordable availability in the housing market in the city.
- The City has officially submitted the city's industrial park to be marketed through the Verified Industrial Properties by Detroit Regional Partnership that Mr Weir brought to the Council's attention back in November. Again, this is a three-tier process. The first part is the Desk Top Due Diligence Support which would cost the city \$16,000 but will be done at no cost through this program. This will verify the industrial park and what is available and will advertise in 11 southern Michigan counties. Phase two (Physical Site Studies) will require a 10-20% match of approximately \$100,000 for more in-depth site studies and a complete marketing package. Some of this work is already done so he expects that the cost will be lower. The city is not locked into a binding agreement if the funding of the 10-20% was not available. The Third phase (Project Support) is for funds that will be available for companies to use to develop the sites purchased in the industrial park.
- At the last Council meeting, citizens voiced some concerns about the cleanliness of the local laundromat and about getting a refrigerator for the Hudson Community Center. The city is limited in what it can do to enforce the cleanliness of the laundromat, but Mr Weir purchased a refrigerator for the Hudson Community Center that was on sale, and it is expected to be picked up and placed in the Community Center on Wednesday February 21st. The cost of the refrigerator was \$463.60.
- Chief Keck advised that the SRO position at the school is in the process of moving forward. It will be on a part-time basis for the time being. The school district is working on future funding of the position. Chief Keck is still looking to fill the full-time position and looking to hire additional part-time officers. Thank you to council member Kirkland for sharing the article about the shortage of qualified police candidates to fill police officer positions that is happening all over the State of Michigan and the United States.

- The interviews for the wastewater operator job have been completed and Superintendent Josh Mattek has offered the position to successful candidate who will be starting in the month of March.
- Council member Teresa Frantz sent an email last Friday and has resigned from Council due to moving out of the city limits.

RECREATION ADVISORY BOARD

121 N. Church Street, Hudson, MI 49247 REGULAR MEETING Minutes of February 19, 2024

The Recreation Advisory Board meeting was called to order by Chairperson Nikki Cleveland at 6:01 p.m.

Roll Call:

Present: Nikki Cleveland, Elizabeth Comiskey, Nicole Chase, George Race and John

Kirkland

Absent: Roger Clark

Others Present: Kris Eschedor, City Manager Charles Weir, and City Clerk Jeaniene McClellan.

ORDERS OF THE DAY:

Excuse Absent Members:

Motion by John Kirkland, seconded by Elizabeth Comiskey to approve to excuse Roger Clark from the meeting, CARRIED by voice vote.

Minutes:

Motion by Elizabeth Comiskey, seconded by Nicole Chase to approve the minutes of December 4, 2023, and place on file, CARRIED by voice vote.

NEW BUSINESS:

Eric Hickman:

The members were given a letter from Eric Hickman on his resignation from the board.

Motion by John Kirkland, seconded by Elizabeth Comiskey to accept the resignation letter from Eric Hickman, CARRIED by voice vote.

OLD BUSINESS:

Recreation Master Plan:

Kris Eschedor provided the members the results of the survey and has asked the members to come up with the following items before the next meeting.

- ADA check list for every park.
- Top 5 goals
- Top 5 plans for change
- Pictures of each park and walking trails

Before the City can apply for any grants the Recreation Master Plan must be updated. Elizabeth Comiskey will be working on Will Carleton Park, Nikki Cleveland – Memorial and Thompson, John Kirkland & Nicole Chase – Webster Park, George Race – help with the pictures, and Charlie – Civic Park.

VISITORS BEFORE THE BOARD:

No comments received

CITY MANAGER'S REPORT:

- The City has submitted a grant application to the Michigan State Housing Development Authority (MSHDA) for a project to help fund the updating/changing the city ordinances regarding housing options in the various zoning districts of the city and completing a full update to the city's Master Plan. The Housing Strategic Plan that the city had completed in 2023 suggested updates and changes in the ordinances to help facilitate growth and affordable availability in the housing market in the city.
- The Hudson School has a part time resource officer and hopefully they will find a grant to help fund for a full time position.

BOARD COMMENTS:

The next meeting will be March 11, 2024 at 6:00 pm.

ADJOURNMENT:

Motion by John Kirkland, seconded by Nicole Chase to adjourn the meeting at 6:50 p.m.

City Manager Report

March 5, 2024

- Jay and I met with Jones & Henry Engineers on February 29th to begin the closing out the DWAM (Drinking Water Asset Management) grant. The objective of the grant was to identify a random sample of the water services lines materials in the city. Service lines that are identified as lead/galvanized will have to be replaced over the next 16 years (2040) by the city. This is going to be an expensive proposition that the city will have to budget for, finance and/or seek grant funding to complete. It is estimated that the city has 250 water service lines that will have to be replaced. The current estimate cost to replace these water lines is \$1.25 million. This cost will rise with inflation moving forward. The information gathered through the DWAM grant will be put in the City's updated water Asset Management Plan. The GIS data will be put into the city's Silversmith program archiving the information for future use and record keeping.
- Dangerous Structure 109 Mechanic Street: This property may be sold soon. I have spoken with the potential buyers and advised them that the city is requiring the site to be cleaned up and that it is currently being reviewed by the City Attorney and the Lenawee County Circuit Court. After speaking with the buyers, I am more confident that the site will be cleaned up in a timelier manner than by the current property owner.
- The city has an 8" sewer main blockage on School Street that the Public Works
 Department is working on. DPW will be televising the sewer line to identify and
 locate the blockage. It is suspected that it may be tree roots. The sewer line
 material is clay tile.
- I have been informed by the Michigan State Housing Development Authority (MSHDA) that the city will be receiving a \$10,000.00 grant to assist the city with updating the City Master Plan and zoning ordinances. One critical area that needs improvement in the Master Plan is the zoning map.
- The masonry repairs on the Public Work building will be underway this week.
- The dumpster enclosure behind City Hall has been repaired.
